The amazing thing about this software is its ability to create neat charts with special effects and styles. However, sometimes it may feel a bit too basic. The interface is very simple. Its only

aim is to connect you with the world of horoscopes. All you have to do is fill in the necessary information and save it. The application comes with more than 20 Indian horoscopes. Using the application is as simple as finding a chart and clicking the required button. For those who prefer to set up their own charts, Horoscope Explorer Pro offers an editing functionality, too. All you have to do is fill in the fields indicated on the screen and go to

the online generator to have a great, free chart. With two versions, Horoscope Explorer Pro can be used for both desktop and mobile devices. One is compatible with the various platforms, and the other is not. The former has a free version and a paid version. Both of them are easy to use. If you have decided to make Horoscope Explorer Pro your horoscope software, you will be able to share charts with friends and, of course, save them.

The program also comes with a collection of tools and utilities that will help you create interesting charts. In terms of their interface, all the predictions are represented in a fun and easy way, with a cool star and colored top and bottom lines. All you have to do is click on the required horoscope, select the star you want, and the program will determine the location and the effect of each planet on your horoscope. If you are not satisfied

with the final result, you can always edit it and try again. What's more, the application comes with a lot of features that will help you plan your everyday life. Some of the tools that you will find in Horoscope Explorer Pro include match making and compatibility tools, as well as one dedicated to creating horoscopes and chart generators. Horoscope Explorer Pro has a nice interface. Despite its basic interface, the program is a complete tool.

What's New In Download Horoscope Explorer Pro?

Horoscope Explorer Pro is an application specially designed to provide all the information needed for the users' horoscopes.
Features: - Easy to use; no sign-up

needed. - Understand all the Natal and Transit info of your planets. - A fixed price that is much cheaper than other similar applications. - Export all the data to Portable Document Format (PDF) files. - Print profiles. - Great choices of horoscopes to meet the users' needs. - Predictions with 1, 3, 6, 12 and 24 months in the future. - Charts with monthly horoscopes based on the Sun, Moon and planets. - Custom profiles and charts. -

Different graphs available to provide more information about the transition between your planets. - Ability to save all the profiles you create. - Share profiles on Facebook or Twitter. - Send profiles by e-mail. -...

Astrology and zodiac signs still have an important impact on the lives of many people who choose to resort to predictions like those of the well-known horoscopes.

Those interested in this field undoubtedly used at least one

dedicated utility that can facilitate the understanding of aspects related to the planets' influence over people's lives. Among the most sought-after applications of this kind, Horoscope Explorer Pro offers its users a load of features reunited inside a plain interface. The utility, nonetheless, is targeted at a specific area of astrology, the Indian Vedic one to be more precise. Various types of horoscopes can be accessed and personalized for each individual,

while several types of charts are readily generated when needed. Using the software is actually quite easygoing since all you have to do is fill in the required details in the available fields. The great thing about Horoscope Explorer Pro is that you can save each profile you create and thus have a consistency in predictions for every person. As soon as all the information is in place, you can access many charts, predictions and view planetary transitions as

well. All the information presented by the application can be either saved or shared on the fly. Horoscope Explorer Pro supports exporting the data to Portable Document Format (PDF) files, printing and even sending horoscopes via e-mail. All in all, for those interested in Indian Vedic astrology, this is definitely the software to try. With an easy to use, though not too great looking interface and carrying all the tools one would

need to see predictions, charts, match making probabilities and many more, Horoscope Explorer Pro can be just the right choice for many users.
