Easy Favorite

Easy Favorite is a simple application to save any web site with your bookmarks to you computer. The program consists of two functions: Import and Export. When using the Import function, the Easy Favorite application will ask you for the address of the URL you want to import, then the bookmark of the imported URL will be displayed. On the other hand, the Export function allows you to save any web page you want, as a bookmark, right in the folder that contains the file. Features: * Import & Export: Easy Favorite can import and export bookmarks to your computer. It can take into consideration various situations. For example, the application can import web sites when the user exports to a folder that does not exist. Moreover, the user can save his exported bookmark in the folders it can go. Also, the user can easily import a bookmark from the computer with Easy Favorite installed, in a folder or a file. * Search: Easy Favorite can find any web page in the user bookmarks or on the web. This means that if the user bookmarks a web page, he can find it in seconds. The application uses "web searching tools" to find any web page in the user's bookmarks or on the web. * Sync: Easy Favorite allows users to share their bookmarks via email, and if the user has a Dropbox account, the data is synced in the cloud automatically. * Automatic Backup: If the user bookmarks the web site, and the web site is in danger of being deleted, Easy Favorite will create a backup copy for the user. * Cloud Storage: Easy Favorite can save data to Dropbox and Amazon Cloud Services. * Bookmarks Manager: Easy Favorite can create a "Favorite" or "Bookmark" folder to organize your bookmarks. The user can create folders for different domains or websites. The user can organize his bookmarks according to the type of site and make them easier to find. * The creation of the Favorite or Bookmark folder does not affect the original location. * Backup: When using this feature, Easy Favorite will create a backup of all user data and will synchronize it automatically on Dropbox. * Compatibility: Easy Favorite is compatible with Internet Explorer 8+, Firefox 2+, Chrome, Opera and Safari. * Languages: Easy Favorite is available in English and Spanish. * License: Easy Favorite is available under the GPL license.
